

Car Toys Is Here To Help With Your ELD Mandate Solutions

Why Use Car Toys?

Car Toys has 49 conveniently located stores and is open 7 days a week 363 days a year to service your needs. We have special ELD pricing and packages to get you compliant.

What is the ELD mandate?

The FMCSA has mandated that all drivers required to record HOS must convert to electronic records using an ELD (Electronic Logging Device) by December 17, 2017.

Are you prepared for the ELD mandate?

Car Toys has the products and professional install capabilities to help get you and your fleet compliant far before your December 2017 deadline - Contact us NOW to learn how we can help you with ELD and other on-the-road solutions.

Who can help you get this done?

Car Toys has a dedicated sales and installation team available for onsite, in-store, or large deployment installation needs. Our Central Support call center can help coordinate your ELD solution, product and accessory needs, or assist with installation coordination. We can service you in multiple states and cities nationwide.
